Re: Authorization to Automatically Charge Terminal Building,  
Hangar Rental or other Aviation Fees on a Monthly Basis

Aviation Account Number: \_\_\_\_\_

By my signature below, I authorize the City of Fort Worth to use my credit card account to automatically charge the monthly hangar (or other aviation) rental fees. I understand that I will be notified when fees are increased or decreased, and that I will receive the monthly billing statement for verification and receipt purposes. This notification will remain on file in your office until revoked in writing by me, or until I no longer have use of the hangar (or other aviation property). This is the only charge I authorize on my credit card.

My credit card is (circle one):          Mastercard    or    Visa

The credit card account number is: \_\_\_\_\_

The expiration date is: \_\_\_\_\_ (Expiration Date information will  
need to be updated as it changes)
